Diagnostic Audit & Assessment

Measures Fleet Safety & Compliance
& Provides Rating Benchmark

Gain a competitive advantage few other fleet operations can match with the data and objective third-party insights that allow your company to:

- Ensure compliance
- Reduce accidents and liability
- Control insurance premiums
- Increase profitability
- Improve CSA scores
- Mitigate serious risk
- Adopt industry best practices.

It's possible with the **J. J. Keller Diagnostic Audit & Assessment**. Our team of regulatory specialists will work with you on-site to analyze and rank your company's performance in four key areas. Scores from your Diagnostic Audit & Assessment will then feed your company's overall **J. J. Keller Performance Rating**. It's the key indicator of the effectiveness of your safety & compliance program.

Audit & Assess Performance J. J. Keller Diagnostic Audit & Assessment
