

J. J. Keller®

OSHA Compliance Program

➤ *Ongoing on-site guidance and resources for improving workplace compliance*

The J. J. Keller® OSHA Compliance Program provides you with a dedicated consultant who will identify your company's OSHA risks and deliver continued oversight, guidance, and training to keep your employees safe and protect your business from fines and litigation. You'll also receive a suite of J. J. Keller resources to help you manage those risks more effectively. The result is a high-impact program that supports your operation at a fraction of the cost of a full-time employee.

Areas of focus include:

- Hazard Communication Program
- Personal Protective Equipment
- Emergency Response Training
- Powered Industrial Truck Operation
- SDS Review & Analysis
- Bloodborne Pathogens
- Lockout/Tagout
- Confined Space
- Accident Prevention
- Ergonomics
- Respiratory Protection & Fit-Testing
- Recordkeeping & Document Management
- Regulatory Agency Inspections
- OSHA Injury & Illness Recordkeeping
- Walking/Working Surfaces
- And more

Key Benefits:

- **Identify risk areas and compliance gaps** and create an action plan to improve them
 - **Leverage industry knowledge and experience** that your organization may lack internally
 - **Access our team of experts** at a moment's notice
 - **Save significant time** and internal resources.
- *See other side for detailed program features and benefits!*
