

J. J. Keller® DQ Platinum® Service

Reduce fleet risk and improve CSA scores with daily monitoring of your driver qualification files and roadside inspections

The J. J. Keller® **DQ Platinum® Service** combines our Driver Qualification File Management service with CSA reporting and roadside inspection monitoring to ensure that driver-based compliance deficiencies and driver coaching opportunities are properly identified.

Partnering with J. J. Keller will help you:

- › Ensure compliance
- › Standardize processes
- › Improve CSA BASIC scores
- › Minimize audit risk, fines and litigation
- › Save time and reduce administrative burden

A dedicated Client Service Specialist will help you stay in compliance.

This service provides a partnership between you and your J. J. Keller® DOT experts:

WE WILL:

- Maintain your DQ files, perform daily audits, and provide notification of DQ file deficiencies and advance notice of expiring documents
- Create an electronic DQ file in a centralized database for each driver
- Monitor your daily roadside inspections and provide notifications
- Administer DataQ challenges on your behalf (when appropriate)
- Provide consolidated monthly CSA reporting that shows which location and/or DOT number is impacting your scores

YOU BENEFIT:

- Ensured compliance with FMCSR Part 391 recordkeeping requirements
- Reduced audit risk by improving CSA scores
- Full visibility of driver compliance deficiencies so you can focus resources and training on areas that pose the most risk to your company
- Online access to records and reports
- Reduced exposure to DOT penalties for driver qualification non-compliance

More than 95% of our customers choose to stay with us year after year.
