

J. J. KELLER® DOT COMPLIANCE & SAFETY PROGRAM MANAGEMENT

Improve Fleet Compliance & Safety
with Ongoing Guidance & Resources

The **J. J. Keller® DOT Compliance & Safety Program Management Service** is the industry's most comprehensive approach for improving regulatory compliance and fleet safety. The specialized plans provide you with a dedicated J. J. Keller® consultant who will deliver exactly the amount of expert involvement you need.

Your consultant begins by identifying your fleet's risk areas, then delivers the continuing oversight, training, and resources to help you manage them more effectively. And by having these services and resources bundled into the program, you enjoy significant savings over purchasing them individually.

Partner with J. J. Keller

We put our 65 years of industry experience and 17,000+ products and services at your disposal to help you:

- Reduce accidents and liability

Annual Guidance & Resources Included in the J. J. Keller® DOT Compliance & Safety Program Management Service

ESSENTIAL	INTEGRATED	EMBEDDED	
4 visits per year	8 visits per year	12 visits per year	J. J. Keller® Consultant On Site — One of our expert compliance professionals will work directly with you at your facilities on a scheduled basis throughout the year.
✓	✓	✓	J. J. Keller® Diagnostic Audit & Assessment — A proprietary approach that goes well beyond a traditional DOT audit by using four in-depth examinations: <ul style="list-style-type: none"> • <i>Compliance Audit</i> – A thorough FMCSR audit and scoring of your fleet’s acute and critical patterns of violations. • <i>Safety Management Assessment</i> – A 42-part assessment of your company’s management controls. • <i>CSA Performance Review</i> – A summary of your current CSA BASIC results and trends. • <i>Best Practice Evaluation</i> – An evaluation of your application of industry best practices
✓	✓	✓	J. J. Keller® Performance Rating — Based on your Diagnostic Audit & Assessment, your fleet will be scored in approximately 550 different areas, resulting in a rating to indicate your fleet’s compliance & safety performance.
✓	✓	✓	Custom Compliance & Safety Program Development — Your consultant will develop, prioritize and manage your program’s company-specific action items.
✓	✓	✓	Training Customization — Your consultant will develop a custom training plan and curriculum, including identifying who needs to be trained on what topics. The consultant will then conduct the training in the format(s) that best fit your needs.
✓	✓	✓	Safety & Compliance Calendar — Your consultant will create a plan of activities, owners of action items, and a timeline for work to be completed.
Unlimited	Unlimited	Unlimited	Ongoing Support — Your consulting team will be available via phone or email to answer your questions throughout the year.
✓	✓	✓ Custom content	Client Update — Monthly regulatory updates with information from the J. J. Keller® content library.
✓	✓	✓	Audit Protection — Your consultant will provide assistance in the event of a CSA intervention, DOT audit, or related litigation.
1 user	2 user	5 user	J. J. Keller® FleetMentor® Subscription — Online fleet advisory tool will help you proactively manage compliance.
500 points	1,000 points	2,000 points	Online Training Points — Address ongoing needs with any of J. J. Keller’s interactive online training programs.
✓	✓	✓	Keller-Permits® Service — Receive special pricing on oversize/overweight, trip and fuel permits.
