## J. J. Keller<sup>®</sup> Driver DataSense<sup>™</sup> Plus with ELD Rollout

## PARTNERSHIP PROCESS

CLIENT	J. J. KELLER
COMMUNICATION & PLANNING YOU work with J. J. Keller to determine your ideal timeline for implementing J. J. Keller® ELDs.	DEVELOP PROJECT PLAN & TIMELINE WE create a project plan and timeline for your organization to complete a full ELD implementation. We'll provide you with one point of contact who coordinates and executes the details of your plan, and works behind the scenes with the various parties involved on your behalf.
	INSTALL ELDs WE coordinate the installation of ELDs into your vehicles. CONFIGURE BACK OFFICE WE configure the Encompass® back office system to match your organizational structure. OBTAIN ELDs WE procure your ELDs and harnesses.
	TRAIN DRIVERS         WE conduct driver training, including how to download the J. J. Keller         Mobile® logging app to drivers' smart devices, how to configure the ELD         and mobile application, how to record duty status on the mobile device,         and how to handle roadside inspections.
