# J. J. KELLER<sup>®</sup> **VEHICLE TITLE & REGISTRATION** SERVICES

## Let us expedite the process of keeping your vehicles operating legally

Our compliance specialists will help you manage vehicle titles and base plates either ongoing, or as project work commonly needed when a company goes through a merger or acquisition and needs to change vehicle title information. Any time you add, sell or "retire" a unit, we'll work directly with the applicable states on your behalf to obtain or remove the correct registrations Our long-standing relationships with state agencies and our expansive tag agent network allow us to expedite this time-consuming process.

## J. J. Keller will help you with:

- New truck purchases
- Vehicle transfers
- Base plate renewals · Mergers and acquisitions
- Vehicle titling
- · Re-finances or changes in lien holder

#### How we make vehicle legalization easier:

- · Save time. Our long-standing relationships with state agencies and our expansive tag agent network allow us to expedite the time-consuming vehicle title and registration process.
- Save money. We identify the most cost-effective way to title and register your fleet to lower our cost to you.
- · Gain visibility. Your titles will be stored in a secure online database you can access for 24/7 reporting.
- Minimize risk. We apply the most current regulations in managing your licensing and titling.
- · Get audit support. In the event of an audit, J. J. Keller's experts will prepare your records and manage the entire process.

Unit Details	Missing Miles	Fuel & MPG	Related Images	Unit Notes
