

# J. J. KELLER® HBSCP8 COATED PIN BOLT SEAL

MODEL #: HBSCP8

**H** HIGH SECURITY

For nearly 70 years, J. J. Keller has been the industry leader, helping transport companies maintain safe, compliant and secure operations. We offer seals for every level of security and a range of industries, including our new proprietary seals.

## Features

- Made of hardened low-carbon steel for strength and security
- C-TPAT compliant
- High-impact ABS plastic overmolded pin and barrel for improved tamper evidence
- Anti-spin design inhibits tampering by high-speed spinning
- Barrel and pin connected to ensure like-numbered parts stay together until seal is used
- Laser-etching provides high-contrast marking for greater readability and security than surface printing
- Matching sequential numbers on barrel and pin add a layer of security and prevent part substitution
- Personalized seals with your company name and choice of numbers also available

## Common Equipment Uses

- Trailer Door Latch
- Intermodal Container Door Latch
- Rail Boxcar Latch

## Common Applications

Border Crossing

Truck/Ocean/  
Rail Transport

Container
