

J. J. KELLER® SCS250 2.5 MM CABLE SEAL

MODEL #: SCS250

12" length

For nearly 70 years, J. J. Keller has been the industry leader, helping transport companies maintain safe, compliant and secure operations. We offer seals for every level of security and a range of industries, including our new proprietary seals.

Features

- Aluminum lock body with galvanized steel cable
- Flexible pull-tight cable seal design is easy to bend and feed through equipment lock openings
- Cable frays upon cutting to show evidence of tampering and prevents reuse
- Laser etching provides high-contrast marking for greater readability and security than surface printing
- Convenient inner packs of 10 sequentially numbered seals per bag with a label indicating the range of seal numbers enclosed to help simplify and control seal distribution
- Personalized seals with your company name or logo and choice of numbers also available

Common Equipment Uses

- Tanker Valves/Hatches
- Trailer Door Latch
- Intermodal Container Door Latch
- Rail Boxcar Latch
- Meters
- Drums
- Storage Tanks
