

Consulting

J. J. Keller & Associates, Inc.[®]

Capability Statement

Core Competencies

Regulatory and safety consulting has been a part of our company since 1953, when World War II veteran John J. Keller began a one-man consulting firm. Today, our consultants help both the public and private sectors reduce risk, simplify regulatory compliance, and improve operational efficiency.

Look to J. J. Keller's team of consultants to help you:

- Reduce compliance-related risk with on-site expertise at your agency
- Decrease your regulatory burden
- Free up your employees' time by eliminating labor-intensive tasks
- Document your policies and procedures so that you are consistently applying industry best practices

Past Performance

Through the years, many agencies at all levels have relied on our consulting services. Recent clients include:

- University of Colorado
- Chugach Federal Solutions
- National Oceanic and Atmospheric Administration

Differentiators

- 60 years of regulatory compliance experience
- 15 consultants with over 300 years of combined industry experience serving all 50 states and Canada
- Stable, debt-free company with a nearly 90% associate retention rate and 2/3 of associates with a 5-year tenure or greater
