

J. J. KELLER® BASIC FLIP-FILE PLACARDS

Placards Solutions From The Trusted Industry Leader

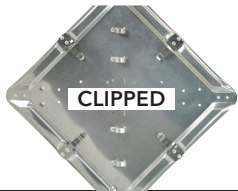

For over 70 years, companies of all sizes have turned to J. J. Keller for innovative compliance products they can rely on. Our Basic Placards are no exceptions, with affordable, quality construction and distinctive features:

- Designed for easy install on new trucks/trailers/tankers/rail cars, or replacement on existing equipment
- Feature J. J. Keller exclusive patented Dura-Clip® Fastener that prevents clip arms from being dislodged, eliminating replacement costs and compliance issues (see diagram at right)
- Constructed of 75% recycled content
- Quickly and easily change legends
- Sets ranging from 3 legends up to 10 legends
- Quick-release clips, 4 center hinges, vibrant UV ink, corrosion-resistant panels, and 2 clipped corners
- Unique rounded panel corners and smooth edges for improved safety when flipping legend
- Open corners allow water & dirt to channel away to help prevent debris buildup

HAVE UNIQUE FLIP PLACARD NEEDS?
GO CUSTOM.
See page 2.

BASIC FLIP-FILE PLACARDS (CONTINUED)

WHATEVER YOUR NEEDS,
WE HAVE YOU COVERED!

If a stock flip-file placard doesn't suit your needs, just let us know. We can create a custom basic, standard or super flip-file placard with the exact legends you want (see chart page below).

We can also:

- Accommodate your shelf quantities
- Integrate with your supply chain
- Fit your packing requirements

Call 800-327-6868 to learn more.
