| §172.704(d) Recordkeeping. A record of current training, inclusive of the preceding three years, in accordance with this section shall be created and retained by each hazmat employer for as long as that employee is employed by that employer as a hazmat employee and for 90 days thereafter. The record shall include: (1) The hazmat employee's name; (2) The most recent training completion date of the hazmat employee's training; (3) A description, copy, or the location of the training materials used to meet the requirements in paragraph (a) of this section; (4) The name and address of the person providing the training; and (5) Certification that the hazmat employee has been trained and tested, as required by this subpart. |                               |   |          |                                     |                  | General Awareness          |      |  |
